ADVISOR
BIOGRAPHY

Mr. Williams serves as a strategic advisor to AllianceOne Enterprises, focused primarily on enterprises in the manufacturing, machining, and fabrication sectors. He brings a unique background that combines 30-plus years in the industrial sector and, more recently, Mr. Williams has provided financial advisory and consulting services regarding various strategic transactions, including mergers, acquisitions, and divestitures to company owners in these industries

His industrial sector background includes over 35 years of direct and indirect experience supporting a wide range of clientele, including, but not limited to, aerospace/defense, machine tool, earthwork, transportation, energy, general engineering and medical. Most recently, Mr. Williams headed the Machine Tool Industry Division for a global industrial technology leader that specializes in manufacturing and distributing cutting tools, and wear-resistant solutions. As such, he brings and depth and breadth of knowledge regarding manufacturing/fabrication and machining process.

Mr. Williams is also available to consult with strategic buyers of companies in the industrial, manufacturing, machining, fabrication and select other sectors relating to matters concerning corporate operations and integration.
